AEROTECH CONSUMER AEROSPACE DIVISION

## United States Postal Service (USPS) Parcel Post® Shippable RMS™ Reload Kits and Single-Use Motors

RCS has received authorization to ship certain AeroTech RMS reload kits and single-use motors by domestic U.S. Mail ground service (Parcel Post®). AeroTech reload kits and single-use motors using propellant grains containing **up to 30 grams of propellant** or less each may be mailed in this manner. This means that no hazmat fees will be incurred when shipping these reload kits and motors by surface mail. **Please refer to the authorization document for details on its use.**
