Please note, all rockets and reload kits that have been classified and registered by the California State Fire Marshal's Office shall be properly labeled and bear a printed seal and registration number of the licensee as required by California Code of Regulations, Title 19, article 7.

The seal shall be large enough to be legible on the device and contain the registration number as assigned by the State Fire Marshal, and classification stating the use or purpose for which such device has been registered. Please provide the State Fire Marshal's Office with the final artwork used for this requirement.

If you have any questions or need further assistance, please feel free to contact Fireworks Program Assistant Yevonne Costa at (916) 445-8373 or myself at (916) 327-8278

Sincerely,

Anthony J. Guevara
